

Drama & Singing Lessons of Distinction

20th March 2015

Dear Mrs. Williams,

Please find enclosed our information regarding *Little Voices* lessons that I am sure will be of interest to your parents and pupils.

Little Voices has an outstanding reputation, very small class sizes of only 6 children and is Performing Arts Training at the very highest level. Our unique lesson framework is even more beneficial than a private lesson and is like no other Performing Arts Organisation nationwide.

We would like to offer your pupils **FREE TRIAL LESSONS**.

Would you be happy to distribute our information to your pupils? We will put our leaflets in class sizes so that it eases the distribution process for your teachers.

Our pupils work towards external examinations awarded by the London Academy of Music and Dramatic Art (LAMDA). These are QCA accredited and pupils entering at Grades 6, 7 & 8 qualify for UCAS tariff points which can be immensely beneficial when applying to participating universities.

We pride ourselves on our 100% pass rate with 90% at Merit and Distinction. Pupils attend fun, inspirational, technique-filled lessons, delivered by highly qualified tutors.

All our tutors are trained in safeguarding, they hold DBS enhanced checks and are on the *Little Voices* team because of their commitment to delivering inspirational lessons in their subject.

I hope that you would like this to be an opportunity for your pupils and we look forward to receiving their applications for a Free Trial Lesson.

Yours sincerely,

Little Voices offers outstanding tuition, expert guidance, support and traditional methods of teaching Drama and Singing, so that your child can pursue a career on the stage or increase their confidence in all areas of their life.

We can give a child the best foundation both in their Drama and Singing development.

At Little Voices we pride ourselves on traditional and inspirational yet fun-filled lessons, which are taught by passionate and highly qualified tutors so that your child can excel in a happy environment.

Pupils are taught within a unique framework of Drama and Singing lessons of Distinction, in groups of no more than six pupils working towards highly respected and accredited Musical Theatre, Drama, Acting and Communication Examinations awarded by LAMDA.

We can help expand and enhance a child's C.V. from a very early age with a unique concept of Drama and Singing Lessons that embrace a wide variety of life skills as well as the LAMDA examinations. The exams are fun - NOT daunting! All the pressures and apprehension associated with the word 'examination' are removed.

We nurture a child's confidence so that from an early age they have outstanding posture, diction, eye contact, can hold themselves and present themselves in front of familiar and unfamiliar faces, in small or large groups of people.

What makes us special?

- **Small Classes of just 6 pupils in 'Little Voices' (Ages 7-9 & 9-11) 'Voices' (Ages 12-14, 14-16 & 16-18) and 8 pupils in 'Mini Voices' (Ages 4-7)** so that they get personal attention and plenty of opportunity to practice so that they develop quickly
- **Yearly progress reports** – showing what skills your child has gained in the time they've been going to classes so that you know they are growing and developing
- **Groups are organised by friendships, age and ability.** It is very important to us that the pupils work in groups where they feel completely happy and where we can watch their confidence and ability grow. All lessons follow the unique *Little Voices* concept with the group having their Drama lesson one week and their Singing lesson on the alternate week.
