

| YEAR - 1 Date – Monday 27th to Friday 8th May (2 weeks) | | Here are your tasks for the next two weeks. It's up to you what order you do them in. Enjoy and stay safe!  | | |
|---|---|---|---|--|
| Language, Literacy and Communication Read and try to learn the poem 'Under a Web'. This poem is on the next page. Decorate around the poem with drawings of the animals that are in the poem including a picture of you! If you don't have a printer, draw the animals on a piece of paper and add lots of details.  | Language, Literacy and Communication Now you know the poem 'Under the Web' ask someone to video you reciting it. Remember to use a slow, loud clear voice.  Try to save this. We are working hard to find a way for you to send your wonderful work to us. | Maths and Numeracy  Look at the book 'One is a Snail, Ten is a Crab' on YouTube. Use this to do lots of counting. Also count the animal's legs in steps of 2, 5 and 10. | Maths and Numeracy Look at the book 'One is a Snail, Ten is a Crab' on YouTube. Use the animals and their number of legs to make up your own addition sums.  Challenge - How many different ways can you make 10? 20? | Science and Technology Watch the video clip - https://www.bbc.co.uk/bitesize/clips/z44q9j6 or Google- minibeasts bitesize ks1 Write a list of the minibeasts mentioned in the video. Can you add more?  |
| Science and Technology https://pestworldforkids.org/fun-games/games/ Use this website and play some of the games on it.  | Humanities Draw a picture of your own home, discuss the features and label them e.g. red brick, double glazed windows, roof, chimney, terraced house etc.  Write sentences about your home, e.g. It has a wooden, red front door. | Health and Well-being Have you joined in with 'PE with Joe Wicks' or Oti Mabuse's online dance (found on YouTube) yet? Have a go! Keep Fit! Stay Active! | Health and Well-being Create your own fun exercises. Try to think of at least 5.  Try out your exercises every day. Use a timer or a clock to see how long it takes to complete them. Can you go faster/improve your time? | Expressive Arts Make, draw or paint a minibeast using art and craft materials or in any other way you can think of. Can you name the different parts of its body? e.g. head, eyes, wings, legs, antennae, abdomen, thorax |

Home-School Activities - Summer Term

UNDER A WEB

Under a web, beside a gate,
A spider hangs, its legs are eight.

Above it flies a busy bee.

Six black and furry legs has she.

A tabby cat goes leaping past,
Her four legs carry her so fast.

I've only two,

That isn't many,

But Mr. Worm hasn't got any!
