

YEAR - RECEPTION Date – Monday 27th to Friday 8th May (2 weeks)		Here are your tasks for the next two weeks. It's up to you what order you do them in. Enjoy and stay safe! 		
Language, Literacy and Communication	Maths and Numeracy	Maths and Numeracy	Science and Technology	Language, Literacy and Communication
<p>Using the school handwriting style, write the letters of the alphabet using rainbow colours.</p> <p>Can you write the capital letters too?</p> 	<p>Money Use coins (1p, 2p, 5p and 10p) to pay for your treats at home.</p> <p>As a challenge your parents can charge you e.g. 6p. What coins do you need now?</p> <p>Use your number facts to help you with this.</p>	<p>Sorting Go on a treasure hunt around your home. Can you find signs of summer?</p> <p>Using your discoveries, sort for similarities (green items, spiky items etc.) to create sets. Can you create a set that has two similarities? E.g. green and spiky. <i>(This task can be carried out using any resource, dinosaurs and toys are perfect too)</i></p>	<p>1st Part Research what plants need to survive and thrive.</p> <p>https://www.bbc.co.uk/bitesize/topics/zpxnyrd/articles/zxxsyrd</p> <p>Challenge: Record information with drawings.</p>	<p>2nd Part Having researched what plants need to survive, create a simple list, using pictures or words. When writing, don't forget to use your Jolly Phonic knowledge to sound out words, And always use your best handwriting.</p>
Science and Technology	Humanities	Health and Well-being	Health and Well-being	Expressive Arts
<p>Explore the parts of a plant by digging up a dandelion (any weed will do, I always chose dandelions as they are very sturdy and have amazing root systems).</p>  <p>Can you name the important features? Challenge: Draw the plant and label.</p>	<p>Begin to create a simple Family Tree. Draw a small picture of yourself at the bottom of a piece of paper. Use a mirror to add detail. Place your name beside your portrait.</p>  <p>In the weeks to follow, you will be adding the rest of your family to the work. Please keep it safe.</p>	<p>Keep Fit! Stay Active! Have FUN!</p>  <p>Join Joe Wicks for a great 30 minute P.E. session every morning.</p>	<p>Create your own fun exercises. Try to think of at least 4. Practise your exercises every day.</p>  <p>Use a timer to see how long it takes you to complete them. Can you go faster/improve your time?</p>	<p>Using natural resources, create a wonderful piece of summer art.</p>  <p>Snap a picture before the wind carries it away!</p>
