<p>Science and Technology</p> <p> Seesaw</p>	<p>Humanities</p> <p> Seesaw</p>	<p>Expressive Arts</p>	<p>Health and Well-being</p>	<p>Expressive Arts</p> <p> Seesaw</p>
<p>Stickman floated into the sea- can you make a stick boat that floats?</p> <p>  </p>	<p>https://www.youtube.com/watch?v=KMdD6TTDZ_g Watch the 'Explore the Rainforests' clip on youtube. Create a rainforest painting- think about the types of trees and the different animals that live there!</p> <p></p>	<p>Make a stick crown!</p> <p></p> <p>Pretend to be the King or Queen of the forest!</p>	<p>Make and play 'Pick up sticks' game using twigs. How many sticks can you pick up, without using your hands!</p> <p></p>	<p>Decorate/ paint a stone to create your very own rock pet!</p> <p></p> <p>PetROCKS on Red Ted Art</p>

Home-School Activities - Summer Term

If your child knows all of their letter sounds, they can start to learn stage 1 key words. Starting with 'Biff', work your way down the first column, then onto the next column and the next. This is the correct order for the children to learn their key words, which corresponds with the Oxford Reading Tree scheme. Use Oxford owl online for the children to match their key words to the books they see on screen.

to	In	Biff
went	got	Chip
was	go	Kipper
